

KEELY CASHMAN

ALPINE SKIER

PERSONAL PROFILE

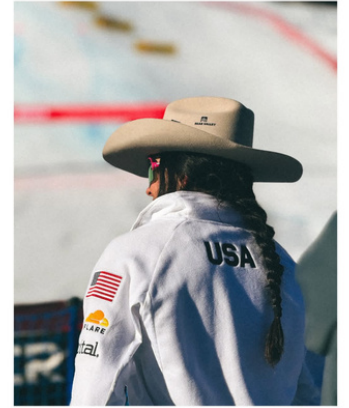

My Story: I'm a 26-year-old Olympic alpine skier raised in the remote mountain town of Strawberry, California. My ski journey began at Dodge Ridge, a small, family-owned resort where my dad coached me and my two brothers. My parents opened a coffee shop in 1998 to help fund our dreams, a business they still run today. Growing up in a blue-collar town gave me a deep sense of work ethic, resilience, and pride in where I come from. That foundation continues to shape who I am, on and off the mountain.

My Brand: Nicknamed "Big Country," I bring a unique and recognizable image to a sport often defined by luxury. I represented the U.S. at the 2022 and 2026 Winter Olympic games and currently compete full-time on the World Cup circuit. My brand blends elite-level skiing with authentic Western roots.

Digital Reach: With 20K engaged Instagram followers and over 1.5 million monthly views, I've built a digital platform that showcases the grit and beauty of life as an athlete on the world stage. My content focuses on training, travel, lifestyle, and the behind-the-scenes realities of chasing Olympic dreams; always grounded in the culture and values that raised me. For sponsors, I offer a compelling opportunity to align with an athlete who embodies American toughness and authenticity, while reaching both performance-driven and lifestyle-focused audiences.

Community Involvement

- Recipient of U.S. Ski & Snowboard's Team Athletes Giving Back Award for 2022
- **Background:**
"The annual award is presented to a national team athlete for their efforts giving back to causes of importance to them. Each year the Yosemite Facelift holds a three-day park cleanup effort where volunteers, including Cashman's family, help put a fresh face on the revered national park. Cashman's passion for the park and her spirit for giving back landed her U.S. Ski & Snowboard's Team Athletes Giving Back Award for 2022." - <https://usskiandsnowboard.org/news/spirit-giving-back-instilled-keely-cashman>
- Actively advocated to help reopen Pinecrest Elementary School, the alma mater of myself and both my parents. Originally opened in 1980, the school was closed by the Twain Harte School District in 2012 due to declining enrollment. This school had a profound impact on my life, and it was deeply meaningful for me to contribute to its reopening. The school is now facilitated and managed by my cousin, and I remain engaged in ongoing fundraising efforts to support its continued success.
